

Q: What organic veggie varieties are offered?

A: Tomatoes, Cucumbers, Watermelon, Bell Peppers, Green Beans, Hot Peppers, Eggplant, and Sunflowers.

Q: Are the organic veggies GMO free?

A: Yes.

Q: What are the prices for the organic veggies?

A: The organic veggies are two for \$20.00 – choose either a 2-pack of the same variety or a mixed 2-pack.

Q: Where are the organic veggies available for purchase?

A: Organic veggies are available online only and ship directly to customers.

Q: What are the shipping costs for organic veggies?

A: The more you buy, the more you save on shipping!

- 1 set of organic veggies = \$7 total shipping rate
- 2 sets of organic veggies (to same person/address) = \$9 total shipping rate
- 3 sets of organic veggies (to same person/address) = FREE shipping!

Q: Are the organic veggies easy to grow?

A: Yes, the organic veggie varieties offered are popular, easy-to-grow, nutritious, and delicious!

Q: Can the organic veggies be grown both indoor and outdoor?

A: Yes, the organic veggies can be grown indoors in pots or outdoors in pots or garden plots, depending on the veggie variety, its sunlight needs, and the climate the veggies are grown in.

Q: What kind of containers do the organic veggies come in?

A: The organic veggies come in ready-to-plant biodegradable containers.

Q: Can the seeds be frozen without damaging them?

A: Yes.

Q: Is there a temperature limit for the seeds?

A: While freezing is not a problem or concern, temperatures over 110 degrees are not good for the seeds and will decrease germination.

Q: What is the shelf life of the seeds if left in the packaging?

A: There is one-year expiration date on the seed packs, but they will generally last longer than that.

Q: What if the container arrives damaged? What if the seeds don't grow?

A: QSP offers a 100% customer satisfaction guarantee by calling QSP Customer Care toll free at 877-305-4146.

Q: How are girls and troops credited for these sales?

A: Credit for troop proceeds and for girl rewards is treated like a magazine order. A \$20 2-pack of organic veggies is considered one order when calculating troop proceeds and girl rewards.
