

# Camp Four Echoes

## Girl Scout Resident Camp Summer 2017

Camp Four Echoes is a Girl Scout owned and operated camp located on the shoreline of Lake Coeur d'Alene, offering waterfront activities, hiking and countless opportunities to explore nature. We provide a wide variety of camp options for girls in grades 1-12 including themed specialty activities as well as traditional crafts, songs and campfires. Each session will enable girls to face challenges and celebrate successes when they accomplish something they may never have dreamed possible prior to their camp experiences.

# Girl Scout Day Camp

## Summer 2017

Girl Scout  
Program Center

Summer is meant for having fun... and that's exactly what we'll be doing at the Girl Scout Program Center during each and every Day Camp session. At GSEWN's summer Day Camp, girls build friendships, learn new skills, create projects, and get introduced to new and exciting people, places and things. Weekly excursions to A.M. Cannon pool will keep girls cool! Please bring swimsuits & towels every day. Lunch and snacks are served daily and are included in the weekly fee. Girls who attend extended morning hours are also served breakfast. Hours are 9am-4pm. AM extended hours are 7:30am-9am and PM extended hours are 4pm-5:30pm.

June 19 - September 1, 2017
