Camper Code of Conduct
Camp Four Echoes

I understand that I play an important role in the enjoyment of every camper at camp. My attitude and behavior are critical to my success and to others' success at camp this summer. Therefore, for the good of all—other campers, staff, and visitors to camp, I agree to abide by the following while at camp or on a trip sponsored by camp:

- I will abide by the Girl Scout Promise and Law.
- I will respect the places and the people with whom I come in contact, including privacy and property of others.
- I will be sensitive to the needs of others in my group.
- I understand that the use of alcohol, tobacco, or drugs will not be tolerated. Possession or use of these at camp will result in immediate expulsion from my camp program, with no refund of fees.
- I understand that weapons at camp will not be tolerated. Possession or use of these at camp will result in immediate expulsion from my camp program, with no refund of fees.
- I will act and speak positively and kindly to all campers and staff (i.e.: no swearing, lewd jokes, racial/ethnic jokes or slurs, etc.)
- I will be responsible for my personal belongings and equipment. I understand that GSEWNI is not responsible for items I lose or give away to other campers.
- I will use safety equipment provided for my use for my own safety and will follow all safety rules.
- I will treat all equipment provided for my use with care. I understand that I will be assessed for damages to any equipment due to my negligence.
- I will treat all camp property with respect and will avoid any type of graffiti. Graffiti is the name for images or lettering scratched, carved, scrawled, painted or marked in any manner on camp property and may be in the forms of simple written words to elaborate designs using pocket knives, markers, pencils or other tools. Graffiti will be considered vandalism and I understand that if I deface camp property I will have to restore the property to its original condition or pay for it to be done professionally.
- I agree to take my share of daily responsibilities by performing duties including but not limited to unit/cabin clean up, shared restrooms/showers, dining hall set up or clean up and other camp “kapers.”
- I understand that social cruelty (bullying, teasing, put-downs) and physical violence (hitting, fighting, restraining) will not be tolerated. Engaging in these behaviors will result in immediate expulsion from my camp program.
- I understand that if I am a victim of social cruelty or violent behavior I should seek help immediately from a counselor, health supervisor, camp director or any staff member to make sure that I am physically and emotionally safe at camp.
- I understand that I am to leave electronics at home, including iPods, CD players and cell phones. I understand that if I bring these things to camp, they will be confiscated and stored in a safe place and returned to my parent/guardian at the end of camp.
- I understand that I am to leave all pets at home. I understand that if I bring a pet to camp it will be held in a safe place until my parent/guardian arrives to take it home within 24 hours.
- I understand that if I do not abide by the guidelines above, the camp director will notify my parents/guardians and I will be sent home and that all arrangements and expenses will be the responsibility of my parents/guardians. I also understand that if I am sent home early due to misconduct, I will not receive a refund. Violations of these agreements may also jeopardize my ability to return to camp next year.
