& Northern Idaho

## SNAPPY SERVICE

Girl Scouts Eastern Washington and Northern Idaho receives requests for help with community service projects or presentations, and your help is needed! If your troop, individual girl, or adult would be willing to be “on call” as a Snappy Service participant in your area, you are encouraged to sign up for this year. It doesn’t mean you have to say “yes” every time you are called, but it does mean you will have some great opportunities for service, fun and learning! Typical requests include flag ceremonies, parades, staffing booths, childcare at a community function, environmental projects or assisting at community events. If you are interested, complete this flyer and return to your area Program Membership Development Coordinator.

Any individual who assists in “Snappy Service” twice during one year (October to September) is eligible for a snappy service patch, available in our council store. Cost of the patch is \$1.25.

### Snappy Service Troops/Individuals
