Reasoning

In order to assist the Board of Directors and management in the review of your input, it is important to present the reasoning behind your suggestions. Please provide answers to the following thoughts:

1. Describe your vision.
 - What will be different?
 - Is your vision consistent with the organization's mission, with council goals and needs?
 2. How will this proposed change effect:
 - The organization (girls/council/community)?
 - Personnel (volunteer/paid)?
 - Existing policies/procedures/systems?
 3. Is this proposed change operational (management) or policy?
 - Will the proposed change affect both policy and operations (management)?
