*GIRL SCOUTS OF
EASTERN WASHINGTON
AND NORTHERN IDAHO*

Field Guide

*AN (ALMOST)
COMPLETE GUIDE
TO EVERYTHING
HAPPENING
AT GIRL SCOUTS*

A Note from Brian

Distinguished Council of Eastern Washington and Northern Idaho,

We humbly present you our third Field Guide, a culmination of a mountain of hard work and a universe of vision by our staff. As we go all in to grow membership this year, our programming will be core to our success, because if you build it, they

will come. This Field Guide is our Field of Dreams, and your ticket to indoor and outdoor adventure this fall and winter. After an incredibly well-received programming year, I asked my team to spread the vision to more of our outlying areas to increase opportunity for our growing membership. This magical Field Guide represents that improved vision. Enjoy and know that through Creative Arts, STEM-based programming, and a laser focus on outdoor experience, we are a Council of Distinction where Girls grow strong! Thank you for your tireless support—we are stronger because of YOU!

Unless a program is marked Family/All Ages, our events are for registered Girl Scout members in grades K-12. If a Girl Scout wants to bring a friend who isn't a current Girl Scout, the friend needs to add the \$35 Girl Scout membership fee to the event fee and they can participate in the events for the membership year.

The Volunteer symbol appears when adults can expect that the program will actively engage them. If a program does not have a Volunteer symbol, unless otherwise noted, girls still require a chaperone, but you can expect your role to be just that.

LANI NACHTSHEIM,
CHIEF GIRL
EXPERIENCE

Hello! I grew up spending my summers exploring, learning, and having fun at outdoor summer camps as a girl and then worked at those same camps as a counselor and Camp Director. My camp name was simply "Miss Lani", but Lani works! As a Girl Scout, two of my favorite things are listening to our girls share their stories and walking along the breathtaking trails at Camp Four Echoes. Contact me at: lnachtsheim@gsewni.org.

MARCY MASTEL,
CAMP FOUR ECHOES
DIRECTOR/OUTREACH

Hello! My name is Marcy "Jo-dan" Mastel and I'm the resident camp director. My camp name is pronounced like Joe-Dawn and is a Japanese word for joke. When I'm not at camp, I support our Outreach program in several schools, serving girls in K-8th grade. I'm excited to get to provide the Girl Scout Leadership Experience to those girls during the school year and see them again at camp in the summer. Contact me at: mmastel@gsewni.org.

FRANKIE BROWN,
PROGRAM CUSTOMER
CARE SPECIALIST

Hi, I'm Frankie Brown. I started as a volunteer five years ago, then began working for the council a little over two years ago. I love adventure, whether that's zip-lining, hiking or traveling. I enjoy life, and have a new found love of goats! Contact me at: fbrown@gsewni.org.

Staff Bios

CORY ULRICH, CAMP
ASHWELL DIRECTOR/
PROGRAM SPECIALIST

Hi! My camp name is Dory! I love singing (camp songs, musicals, Disney, etc), hiking, and canoeing. I started going to summer camp when I was 8 and now I've been doing summer camp for a total of 16 years! My favorite thing about Girl Scouts is getting to do hands-on experiments and problem-solving. Contact me at: culrich@gsewni.org.

GARRY MCLEAN,
OUTDOOR PROGRAM
SPECIALIST

I am a retired US Air Force Survival Instructor. I love living in the Pacific Northwest and being surrounded by so many outdoor opportunities. I truly enjoy helping kids find joy in the outdoors, try new things and most importantly have FUN. I am excited to be a part of this great council and look forward to meeting/working with you all! Contact me at: gmclean@gsewni.org.
