glimpse of girl scouting

Girl Scouts is the nation's preeminent organization for girls and the leading expert on their growth and development. Our council, Girl Scouts of Eastern Washington and Northern Idaho, serves an area comprised of 30 counties covering 67,000 square miles.

When she's a Girl Scout, she's also a **G.I.R.L.** (**Go-getter, Innovator, Risk-taker, Leader**)™. Every day, Girl Scouts unleash the power of G.I.R.L. to make amazing things happen...

G.

GO-GETTER

Maggie Balley used her adoration for the outdoors and certified skills in sawing as a catalyst in earning her Gold Award. Thanks to this go-getter, the Pacific Crest Trail features a newly reconstructed 13-foot-long bridge nearly three miles north of White Pass that is structurally stable, debris-free, and suitable for frequent traffic.

I.

INNOVATOR

Lego Robotics team, **Nerdy Girls**, is carving out a new culture for teenage girls in Kittitas County. In their mission to forge a new path for girls in the "male dominated" world of robotics, they host weekly meetups where girls gather, gain knowledge, and gear-up to transform the tech industry - *one female at a time*.

R.

RISK-TAKER

Nearing the end of the cookie sale, **Elisabeth Bedard** realized not all girls would reach their cookie goals. As a natural risk-taker, she decided to sacrifice her own goal to help a younger girl meet hers. Setting this example of teamwork, leadership, and bravery, Elisabeth embodies the mission of Girl Scouting.

L.

LEADER

Girl Board Member, **Miranda Reed**, is also a cookie connoisseur. Through strategic planning, dedication, and perseverance, she broke our council's record as the top cookie seller with 5,020 boxes sold. Miranda inspires other girls by sharing her successes, tips, and the lasting benefits of the Girl Scout Cookie Program.
