

# UNLEASH STRONG!

# BE A GIRL SCOUT.

## **VOLUNTEER FOR ANOTHER YEAR!**

This year, she needs more of your drive, your passion, and your guidance. She needs more adventure (indoors and out!). She needs more Girl Scouts. She needs more YOU.

Now, with new badges and Journeys in science, technology, engineering, and math (STEM); the outdoors; life skills; and beyond, there are even more opportunities to prepare girls for the lifetime of leadership, success, and adventure they deserve—all in a safe, no-limits place designed specifically by and for every girl. There's even a new badge to help older Girl Scouts get ready for the future!
