Information about medications:

Is camper taking any medications? ☐ YES ☐ NO

If yes, attach a list of the camper's current medications to this form; send a list of any medication changes or updates the first day of camp.

- Medications for campers under the age of 18 must be kept in the possession of the health supervisor at all times (unless otherwise noted)
- Any medication to be dispensed should be indicated on the Health History Form.
- All medication, including over-the-counter products, should be in the original container and marked clearly with the participant's name and directions for use.
- Prescribed medications and over-the-counter products must be administered in the prescribed dosage by or in the presence of the health supervisor or as per the written instructions of a custodial parent, a guardian, or a physician.
- Medication can only be dispensed to the person named on the prescription container.
- As per the Safety-Wise chapter of Volunteer Essentials, medications, including over-the-counter products, cannot be dispensed **without prior written permission from a girl's custodial parents or guardian.**

HEALTH INFORMATION PRIVACY STATEMENT FROM GSUSA

The Health History Form is for the health care concerns at this camp only. All medical records will be held in limited access by the health care supervisor of this camp. Minimal necessary information may be shared with camp staff/volunteers in order to provide adequate participate safety and health care. The health history form will be retained by GSEWNI along with all forms/records with noted treatment for seven year past the age of maturity of the participant. Access to the information will be limited. I have read the above procedures for handling the health form information and I agree to the release of any records necessary for treatment, referral, billing or insurance purposes.

Parents or Guardian's Statement & signature- My camper has had a physical examination within the past 24 months and is in good health. I give full permission for my camper to attend camp and participate in all activities (except as noted on this health history.) The Girl Scouts of Eastern Washington and Northern Idaho is held harmless in the event of an accident. In the case of injuries, I give permission for medical treatment as deemed necessary. I agree that all information including immunizations is complete and up to date.

Volunteer Statement & Signature- I am in good health and able to participate in all activities at camp (except as noted on this health history.) The Girls Scouts of Eastern Washington and Northern Idaho is held harmless in the event of an accident. In the case of an injury, I give permission for medical treatment as deemed necessary.

Permission is granted to use any picture or video footage of my camper for Girl Scout promotional purposes.

Parent/Guardian or Volunteer Signature _____ Date _____
