# Letter from our CEO

Dearest Highest Achievers,

Congratulations on succeeding in some of the toughest selling conditions in years. Day in and day out, you proudly wore your uniforms and asked a simple question: “Would you like to buy some cookies?” And the answer more often than not was “YES!” to the tune of 1.83M cookie boxes sold. You did it! It was not the CEO or my staff who sold the cookies, it was you—our great Girl Scouts, our highest achievers. I asked you in February to do your best, to be proud of what you do and go for your high goals! And you did it! I now embrace the possibility that you are indeed the best entrepreneurs in the country and I am so proud to know you.

I want to add one more thing that makes so proud to be your CEO. You did the impossible—in a year when the economy was challenged and our customers generally bought fewer boxes, you over performed for our gift of caring program. 41,777 boxes donated to our troops, our first responders and other charitable causes! JUST WOW! That is six percent up from last year. True nobility is neglect of self and this incredible dedication to others is why you are so noble of heart. We have already distributed cookies to military troops near and far. Our first cookies overseas went to sailors in Guam which is in the middle of the Pacific—a small island that maintains critical air and sea forces. I saw many of you at the cookie booths and the common denominator of our sale was it was often very cold. Yet, you bundled up and you succeeded. 2025 for me will be more than embracing the possibility—it will be a year the best entrepreneurs adapted and overcame and showed themselves to have the biggest hearts in the land, and that is why each of you make the world a better place!

With deep gratitude,

*B. M. Newberry*

## Laetyn S. Troop 2250

Way to go, Laetyn!

## Madeleine V. Troop 1903

This year was amazing! I learned the important lesson of hardwork. A week before cookie season was over I made the decision that I wanted to go to the convention in Washington D.C and made the commitment of selling 900 boxes. And I did it! It seemed so impossible but I accomplished it by working hard, long days, a lot of smiling and wearing a cookie costume. Oh, and my vest filled with patches ;). I did it!

## Mariah B. Troop 2592

This was my first year selling cookies with my troop! After attending cookie rally in Spokane in February, I sent my goal so I could make cookie royalty myself, and I MADE IT! With lots of support from my family and community.

Thanks to my dad for hanging out with my dogs while Mom and I sold cookies. Also, a huge thanks to my friend Solstice for selling with me. I sold 1,500 boxes, and she sold 1,000. I want to thank my mom and dad for helping me have a good cookie season. I loved handing out stickers to kids and chatting with adults about my goals. Not every conversation was a sale, and that is ok, because you never know how just saying, "Have a nice day!" might help someone or turn into a sale for another scout on a different day.

## **Madison P. Troop 1904**

I started the season with a 3,000 box goal. I gathered my panda costume and my best dance moves and worked 10 hour booths every weekend. I didn't sell 3,000 but I sold over 2,700 and am so proud of myself for not giving up! I'll try again next year!

Each year it becomes more challenging to reach my sales goal. So, I would like to thank my sister Girl Scouts, friends, family and my community for their support. A special thanks to my sister Girl Scout, Karly, because she was with me at most of our cookie booths making them fun. I appreciate my Dad for being at booths when my Mom had to be at our booths. I would also like to thank our troop's Cookie Mom, Connie, for keeping my mom sane!

## Mollie M. Troop 2506

Mollie wanted to do the cookie sales for one reason. To help her girl scout troop succeed in their first ever cookie sale. Oh and to meet our CEO Brian. She did triple the amount of booths in the hope he would come North. Sadly not. The only time she was away from the booth was the very day the girls were spotted and got an extra award. Poor Mollie took just that day off. But it didn't distract from her determination to continue and sell every last cookie which she and the girls did. Well done Troop 2506 and Mollie. You ladies did great.

## Nyckalyna S. Troop 2422

I didn't make my goal of being in the top 10, but I was able to help my troop so that everyone hit prizes by donating 200 boxes to girls that were new. That meant more to me than meeting my goal. There's always next year!

The best memory I have of this cookie season is having a cheer competition with a man in the parking lot.

I'd like to thank my brother for being a registered Girl Scout and driving me to cookie booths, sitting with me, and making it more fun. I would like to thank my family for being supportive of me and encouraging me throughout the season.

I loved getting pictures and emails back from Iraq from the men and women who received our cookies there.

## Rhiannon A. Troop 2500

I want to thank my mom's boss, Stephanie, for her purchase. She bought the remaining cookies from my last day booth as well as the remaining cookies from a troop sister's last day booth and asked me to take them and donate them to the UGM Women and Children's shelter. ## Addison L. Troop 3518

This year during cookie sales, knowing that it was my last one I had the opportunity to say goodbye to some of the managers of stores that I sold at for years. I also use this year to mentor and teach younger Girl Scouts some of my tips and tricks. We made sure that all of the girls that I was mentoring sold out of their cookies and met their goals. I would like to thank my mom that put in all of the hard work over the last decade. I would like to thank my leader, Elysha for all of her support and guidance and thank all of my customers. Cookie season is always a fun and exciting time of the year. I'm grateful for being able to participate in Girl Scouts and cookie sales.

## Addison M. Troop 2035

I remember one time at a cookie booth when I somehow got my mom to hold a sign for me as she walked up and down the side walk. At the time I was just grateful that I wasn't holding the sign and now I am just glad to see how supportive my mom is.

## Allison H. Troop 1806

I have been in Girl Scouts for 13 years; and this was my final cookie season. Girl Scouts has taught me so much over the years on how to make new friends, talk to new people, money management skills, and has helped me reach my full potential. I love Girl Scouts and will be becoming a lifetime member and I encourage you and your kids to join or to continue as this has been a truly inspirational experience for me.

Way to go, Carlee!

## Gracie A. Troop 3674

Cookie Booths is one of my favorite GS activities which made this, my final year, bittersweet. One of my all time favorite customers was a three year old with cash in hand, excited to buy her first ever GS cookies. I hope one day she too will have joy and success selling cookies and reaching her goals!

## Gwendolyn D. Troop 4903

I put in a lot of time during booth sales and made it to my goal, despite the slower season this year.

I thought it was great. I only had 9 days to sale cookies this year. I sold 1090 boxes and I had two booth sales rained out.

**Kayla E.**  
**Troop 2468**

My favorite experience this Cookie Season was meeting previous Girl Scout members and hearing about some of their favorite Girl Scout experiences. I would like to thank my troop leader Laura for continuously supporting me through out the years.

I had a lot of fun this season and spent a lot of time in front of stores selling cookies with my classic megaphone, selling the most cookies in my troop again! I can't wait to do more next year!
