GIRLS CHANGE
THE WORLD

2015

Annual
Report

The Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

The Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

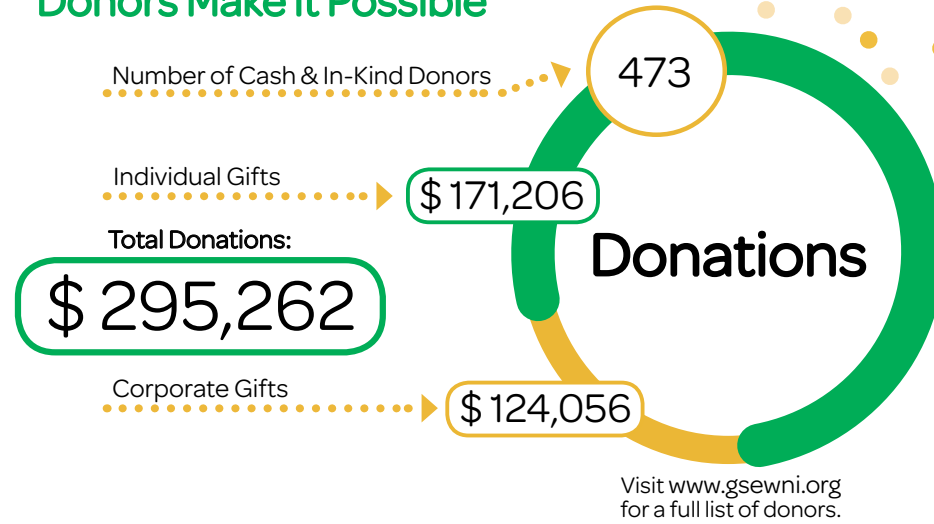

The Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

Donors Make it Possible

Volunteers Make it Happen

“Volunteering is something everyone benefits from. I strive to be like the volunteers who helped me with my project.”
- Rebecca Johnson, Gold Award Recipient

Highest Awards

Bronze Award

The Girl Scout Bronze Award is the highest honor a Girl Scout Junior can achieve. As girls and their teammates plan and complete their project, they develop confidence and experience what it is like to work with other scouts for a common goal. Fifty-seven girls received the Girl Scout Bronze Award during the 2014-2015 Membership Year.

Silver Award

The Girl Scout Silver Award is the highest award a Girl Scout Cadette can achieve. It gives girls the chance to demonstrate their leadership abilities. This award reflects organization, determination and dedication to improving one's community. Twenty girls received the Girl Scout Silver Award during the 2014-2015 Membership Year.

Sofia Martinez, from Troop 5330 in Prosser, WA is a recipient of the **Girl Scout Silver Award**. Sofia has Juvenile Batten Disease, which is a rare, fatal, neurodegenerative genetic disorder with no cure. Despite her condition, Girl Scouts has allowed her to become an inspiration to millions. Sofia founded the annual Shining Star Pageant for girls with disabilities. The pageant allows *all* girls the opportunity to take the stage and shine bright.

Gold Award

The Girl Scout Gold Award represents the highest achievement in Girl Scouting. It recognizes girls in grades 9 - 12 who demonstrate extraordinary leadership through projects that have sustainable impacts in the community and beyond. Nine girls received the Girl Scout Gold Award during the 2014-2015 Membership Year.

“Girl Scouts allows me the opportunity to feel included. In Girl Scouts, I don't feel alone anymore. I belong.”
- Sofia Martinez, Silver Award Recipient

Girl Scouts and the Environment

GSEWNI partnered with the Idaho Department of Environmental Quality and the Coeur d'Alene Tribe to launch project **Restore the Shore** at Camp Four Echoes. Troop 3003 from Coeur d'Alene, ID helped plant a vegetative buffer that will enhance and protect the lake's water quality, stabilize the shoreline from erosion, and provide a filter for pollutants.

Girl Scout Lego robotics team, RoboGirls, completed a Take Action project pertaining to waste and it's impact on our earth. After researching the negative effect plastic trash bags have on the environment, RoboGirls identified a more eco-friendly solution and revealed their findings to our staff at the Girl Scout store. Proactive steps are now being implemented to reduce waste through recycling and reusing.
